I'm a trusted and respected leader

"I can confidently say he is a true visionary leader. Gary brings a unique combination of deep expertise, a commitment to growing his direct peers' skills and understanding, and an empathetic approach to every team he leads."

- Megan Grajeda, product manager

"He shares his knowledge willingly and skillfully, and I personally am a better person and developer for having worked with him."

- Joseph McCormick, engineering manager

"His ability to tackle a complicated problem and turn it into a triumph, combined with his deep determination to do his best for clients and colleagues, makes him an incomparable asset."

- Dustin Resch, frontend engineer

"Gary has a 'value for customer' product mindset"

- Sofia Gonzalez Fernandez, UX Researcher
